GET **FREE** AT-HOME COVID-19 TESTS
DELIVERED TO YOUR HOME!

Avoid delays or a lack of supply at the local pharmacy and get your "at home" COVID-19 test kits mailed conveniently to your home. **The cost of the tests and the shipping is FREE.**

Simply go to **https://special.usps.com/testkits** and place your order. Your at-home tests supply will be shipped to you right away.

These free tests are being provided by the US government. You can go online and order your free tests now.
